REQUEST FOR CERTIFICATE OF CORRECTION – APPLICANT MISTAKE

Dear Sir:

Upon proofreading the sealed patent, the patentee noticed an error in the printed patent due to a mistake by the patentee. This error occurred in good faith and correction of the same would not involve changes in the patent that would constitute new matter or would require reexamination.

The assignee's name was listed incorrectly on the Fee Transmittal. The Assignment was submitted for recordation before issuance of the patent and applicant hereby requests a Certificate for Correction under 37 CFR § 1.323 and has included the appropriate fee therefor. The attached Certificate of Correction corrects the assignee's name and granting of such Certificate of Correction is hereby requested.

Enclosed herewith is a proposed Certificate of Correction incorporating an amendment to correct the error, along with a check in the amount of \$230.00, which covers the cost of the Certificate and the prescribed fee for correction of the Assignee. The Commissioner is authorized to charge any deficiency, or credit any overpayment, to U.S. Deposit Account No. 08-1935.
